Table Attire - 3 Ways

Table Runners 14" x 36", Placemats 14" x 19", Coasters 4½" x 4½"
sizes are approximate

Got lots of leftover batting? How about 2 ½" fabric strips?
Here's three practical projects to use them up!
Each style includes a table runner, 2 placemats, and 2 coasters

Materials

FABRIC   Use good quality cotton fabric. Bali Pops™ and jelly rolls are wonderful for this project. As they usually contain forty strips, you will cut additional strips from binding fabric.

BATTING   Use medium weight batting 45" wide. If using leftover batting, select leftovers that are similar in weight. Cut strips 2 ½" wide and use Dream Seam or Batting Seam Tape to fuse the strips together.

DUO-FUSE   Is a beefy double-sided fusible polyester batting by Innovative Craft Products. Used in Dinner Attire only.
