

# OUR CAT'S HOME

While a cat can sleep anywhere, give your cat its own "home"!!  
Easy to make using Bosal's foam Cat Bed!

## MATERIALS

**FABRIC** (WOF = width of fabric usually 42/44")

*The cat bed can be made with one fabric (3¼ yards includes lining) or several.  
Instructions for using 2½" strips, pre-quilted fabric or Minkee are also included.*

- \*A. **OUTSIDE BOTTOM** ¾ yard (includes lining)  
\*B. **SIDES** 1 ½ yards (includes lining)

OR If using separate fabrics for the components of the side:  
OUTSIDE SIDES - ½ yard, RIM - ¼ yard, INSIDE SIDES - ½ yard  
and LINING 1 yard

OR For a striped look, use 2½" strips 16 strips  
and LINING 1 yard

- C. **INSIDE BOTTOM** ¾ yard  
\*D. **PILLOW** ¾ yard  
E. **PILLOW BINDING** ¼ yard

*\* If using pre-quilted fabric for the outside bottom, sides, pillow, you will need 2 yards. No side/bottom batting. You will still need inside bottom fabric, pillow binding and pillow batting.*

*If using Minkee fabric, 60" wide, for the outside bottom, sides, pillow, you will need 2 yards. No side/bottom batting. You will still need inside bottom fabric, pillow binding and pillow batting. Make sure that you stabilize Minkee before cutting by fusing it to fusible cotton.*

**FOAM CAT BED FORM** by Bosal Item # CB1

## SIDE/BOTTOM BATTING

ONE crib size (45" x 60") cotton batting (or use up your leftovers)

OR 1½ yards of Duet Fuse II by Bosal, a double-sided fusible batting

**PILLOW BATTING** 20" square

*For a cushy pillow, use Bosal's Upholstery batting or any high-loft batting*

**Other Tools:** Sewing Machine. Batting seam tape. Circle drawing tool like Creative Grids Quick Trim and Circle Ruler. Parchment paper or Teflon ironing sheet, if using fusible batting. Scissors (both large and small), rotary mat, 60mm rotary cutter, acrylic rulers, chalk, seam ripper, measuring tape. Optional: Aleene's Fabric Fusion Spray-On Fusible Web.
