

WOVEN DITTY BAGS

Simply woven, practical bags for your tools or treasures!

Small 3" wide x 3" tall x 8" long,
Medium 4" wide x 4" tall x 9½" long
Large 6" wide x 5" tall x 11" long

FABRIC

Weaving Strips

Cut 2½" fabric strips the full width of cotton quilting fabric, generally 42/44" wide. After sewing, cut strips to length, either long or short, before weaving. Consider using contrasting fabrics for long and short strips.

	<u>Small</u>	<u>Medium</u>	<u>Large</u>
Short weaving strips			
2½" x WOF strips	3	4	7
Long weaving strips			
2½" x WOF strips	3	4	7
<i>Gusset</i>	¼ yd	¼ yd	½ yd
<i>Binding</i> 2½" x WOF strips	2	2	3
<i>Optional Lining</i>	one fat quarter for any size		

FUSIBLE INTERFACING 45" wide

Use a thin single-sided fusible interfacing. We recommend:

Pellon's 987F Fusible Fleece ¾ yd ¾ yd 1 yd

ZIPPER We recommend zippers ByAnnie because the zipper tapes are wider, the zipper pulls bigger and they come in lots of colors. If you purchase a 30" double slide zipper, cut this into 2 zippers one each for the small and medium bags or one zipper for the large bag. Or if you prefer, purchase zippers this length:

Zipper 14" 16" 18"

Other Supplies and Tools: Matching or coordinating cotton thread, sewing machine, sewing machine needles - Microtex 90/14. Iron, Dritz Thermal Thimbles, scissors (both large and small), red Clover Wonder Clips or pins, rotary mat, rotary cutter, acrylic rulers, chalk, seam ripper, hand sewing needles.
