

LEAVE THE LIGHT ON

Welcome late night arrivals by leaving a light on. Or use it in any room for a night light or decorative container. With Hoffman's 2017 Gold Jingle Pops™, it's a wonderful addition to your Christmas decoration collection. Easy technique makes a clapboard covered house night light (8" x 8" x 5") with 2½" strips. Roof lifts for easy access to the battery-operated lights. Diffuse the light with frosted windows (made from template plastic or semi-transparent paper). Set it on a shelf or hang in a window.

Also included are directions for a house ornament (3½" x 3½" x 2½").

MATERIALS

FABRIC

House Sides (D) 8 strips 2½" x 42/44" OR if using one fabric, 5/8 yard

Roof (C) 4 strips 2½" x 42/44" OR if using one fabric, 3/8 yard

Trim (B) 5/8 yard

Lining (A) 3/8 yard

Ornament 2 fat quarters (one for the outside and one for the inside)
