

Aunties Two Poppins Bag Pattern ©2017

Cutting Instructions for Coordinating Fabric for

Hoffman's Dream Big Panels (see separate cutting instructions for the panel itself at auntiestwo.com)

Layout and cutting instructions for 2 yards of coordinating fabric

(must have 42" of usable width after trimming off selvage)

Cut carefully!!!!!! It's a bit tricky and there is little waste!!! Label pieces as you cut. Trim selvage edges off first.

Step 1 - Cut 3 strips 2½" x 42" (Bright Yellow - bag body binding). Follow pattern instructions to sew and iron strips together. See step 2 for Light Yellow section.

Step 2 - Cut 1 strip 8" wide x 42" tall. Second cut - Cut into 1 strip 28" tall x 8" wide and one strip 10½" tall x 8" wide.

Using the 28" tall strip, cut 4 strips 2" wide x 28" tall (Purple - handles). Using the 10½" strip, cut into 3 strips 2½" wide x 10½" tall. Also, cut 1 strip 2½" x 10½" from the end of one strip cut in Step 1 (Light Yellow - pocket binding).

Step 3 - From the top of the remaining fabric, cut a strip 18" tall x 56" long. Cut this into 2 strips 18" tall x 11" wide (Red - inside center panels) AND cut 4 strips 18" tall x 8½" wide (Green - inside side panels).

Step 4 - Cut a strip 1¼" tall x 56" long (Light Blue - bottom binding). Additional bottom binding strips will be cut in Step 6. Follow pattern instructions to sew all strips together.

Step 5 - From the left side of the remaining fabric, cut a strip 21" wide. From that, cut two pieces 11" tall x 21" wide. Cut each piece in half to 11" tall x 10½" wide. You should have 4 pieces 11" tall x 10½" wide. (Light Fuschia - inside pockets/ Dark Fushia - inside pocket lining).

Step 6 - From the top of the remaining fabric, cut 2 strips 1¼" tall x 34" long (Light Blue - bottom binding). Sew to strip cut in Step 4.

Step 7 - From the left side of remaining fabric, cut a strip 10½" wide x 20" tall. Cut in half to 2 pieces 10½" wide x 10" tall (Aqua- outside pocket lining).

Step 8 - Cut remaining piece to 19" tall, then cut in half width wise to 12" wide (wider, if possible) x 19" tall (Light Green - bottoms). The pattern calls for this piece to be 13" x 19" but 12" will work, but it must be 12" wide.
