

SISTER BAGS

Bring your "Sisters" where ever you go. Perfect for all the essentials.

Little Sister, a wristlet, is 11" wide x 2" deep x 6" tall.

Big Sister, a messenger bag, is 12" wide x 2" deep x 10" tall.

The Sisters have two zippered pockets on the outside and two open top pockets on the inside.

MATERIALS

Suitable for non-directional fabric 42/44" wide - if you want to use a favorite directional print or block, use on the outside pockets only.

See directions on inside front cover.

<u>FABRIC</u>	<u>LITTLE SISTER</u>	<u>BIG SISTER</u>
FOCUS FABRIC	1 yard	1½ yards
Bag Body, Outside and Inside Pockets		
COORDINATING FABRIC		
Binding	¾ yard	½ yard
<i>Handles and Bows use either Focus or Coordinating fabric</i>		

INTERFACING

IN-R-FORM SINGLE SIDED FUSIBLE FOAM BATTING by Bosal
½ yard x 58" wide (makes more than one bag)

DURA-FUSE (pre-packaged 36" x 20") by Bosal OR Decor Bond by Pellon
1 yard x 20" wide

ZIPPERS

Three 14" (or longer) for either size bag

Use #4.5 nylon coil handbag zippers. The zipper tape is wider (makes it easier to sew) and the zipper pull is larger (makes it easier to insert fabric accent bows). (You can also use two 30" double slide zippers. Place a slide on each end. Cut them in half.) Zippers are available from wingspancrafts.com

If using regular width zippers, purchase 3 zipper pulls.

BUTTONS for Handles

1 large and small 2 large and small

OR

TEXTURED LOOP STRAP CONNECTORS

Use 2 per Sister Bag. *They are attached using prongs and metal backings similar to magnetic snaps. They are very strong and add a high-end finish to your bag! Available at wingspancrafts.com*

Other Tools: Coordinated thread. Sewing machine, Janome's Purple Tip OR Microtex 90/14 machine needles. Steam iron. Removable chalk or Frixion pen. Scissors (both large and small), rotary cutting mat, acrylic rulers, rotary cutter, pins, seam ripper.
