

# BREEZY WEAVE BAGS

Large Bag: 9 ½" high, 13" wide and 5 ½" deep  
Small Bag: 7 ½" high, 9 ½" wide and 5 ½" deep

Weave fabric strips filled with stiff interfacing to create fun bags for just about anywhere you may be headed!

Consider using one fabric, color or shade (dark or light) for the vertical strips and a contrasting fabric or color for the horizontal strips.

*Hoffman CA Fabrics' Bali Pops™, which contain individual batik strips, work perfectly with this project.*

## MATERIALS

### FABRIC

#### **For the woven strips**

Use 2 ½" strips cut the full width of the fabric (WOF) generally 44"

SMALL BAG: Vertical - ½ yard or five strips 2 ½" x WOF

Horizontal - ½ yard or six strips 2 ½" x WOF

LARGE BAG: Vertical - 1 yard or fourteen strips 2 ½" x WOF

Horizontal - 1 yard or thirteen strips 2 ½" x WOF

**For the binding, handles, gusset and pockets - 1 yard**

### STIFF INTERFACING

Try Rigid Weave by Innovative Craft Products ([innovative-crafts.com](http://innovative-crafts.com))

Available in 1 ¾" x 10 yd rolls

One roll per bag or 1 ¼ yards of other stiff interfacing

FUSIBLE BATTING for Pockets and Gussets - ½ yard per bag

¼" COTTON UPHOLSTERY PIPING for Handles - 5 yards per bag

ONE MAGNETIC CLOSURE per bag

**Other Tools:** Matching thread, sewing machine, scissors (both large and small), a tube turning tool (like Quick Turn by Dritz), pins, rotary mat and cutter, acrylic rulers, seam ripper, chalk and measuring tape

Made in USA
